POWERED BY THE COMMUNITY

Homestead Marketplace and Volunteer & Information HPE (VIQ) are proud to present this event. Our experienced team will handle all logistics and vendor coordination, ensuring a smooth and professional experience from start to finish.

MAKING AN IMPACT IN OUR COMMUNITY

Last year's inaugural Homestead Antique Market was a huge success, **raising over \$5,000** for Volunteer & Information Quinte! Thanks to the support of vendors, visitors, and the local community, we were able to make a meaningful contribution to the programs and services VIQ provides across the region. Homestead Marketplace donates all proceeds from booth fees and admission fees directly to the charity. **Thank you for your support.**
